CITATIONS FOR RECIPIENTS OF HONORARY DEGREES

DOMENICK L. GABRIELLI, J.D.

Rochester born, long time resident of Bath in western New York, graduate of St. Lawrence University and Albany Law School, recognized leader in the legal profession, you have enjoyed a career marked by many distinguished achievements and honors; academic, military, legal and civic. Magnanimous humanitarian, proud bearer of a great Italian heritage, loyal American, you have brought to the interpretation of the law, rich qualities of intellect and understanding, compassion and tenderness, integrity and vision. Christian in the marketplace, servant of truth and justice, you remind us of another great jurist remembered as "the King's good servant, but God's first." Jurist, humanitarian, scholar, highly esteemed by colleagues in the legal profession, you have been, through your leadership and personal qualities, an inspiration to all of us in higher education and especially to our faculty and students who claim Italian-American heritage.

In recognition of this, Nazareth College of Rochester confers on you the degree of Doctor of Laws, *honoris causa*.

LEON PACALA, Ph.D.

Born in Indianapolis, graduate of Franklin College and Colgate Rochester Divinity School, graduate student at the University of Louvain and Yale University where you earned your doctorate, you came by way of teaching at DePauw and Bucknell Universities and the deanship at Bucknell to the presidency of Colgate/Bexley Hall/Crozier. As scholar, teacher and administrator, understanding the awesome responsibility of a university to point the way to what is real and abiding, light-giving and life-giving, you have set high standards of scholarship and collegiality; as theologian you have been mindful of the pluralistic, ecumenical and transcendent dimensions of your task. In a secular age yours has been a strong voice encouraging the study of systematic theology, a study inexhaustible, moving always towards "the absolute center, the incomprehensible One."

As you become the Executive Director of the Association of Theological Schools of the United States and Canada you will have heightened opportunity to lead faculties and students in that search wherein they may "touch the depths of truth, feel the hem of Heaven." Nazareth College of Rochester salutes you and proudly confers on you the degree of Doctor of Laws, *honoris causa*.

MARIE CURRAN WILSON

In these years when conflicting voices, sometimes strident, attempt to define women's role anew, you have understood the primacy of personal integrity, of selflessness, of fidelity to family and God, of a caring awareness of human needs. You are witness to the pre-eminence of the spirit; your presence, quiet, unassuming, and serene, reflects the liberation born of love and service. Sharing your husband's dream as well as the uncertainties and complexities accompanying its fulfillment; creating for him and your children an oasis of laughter and love, faith and trust; reaching beyond family boundaries through membership in and appointment to the boards of various educational, civic and religious groups, more recently with the Marie C. and Joseph C. Wilson Foundation; your dedication as Christian wife and mother, civic leader, and humanitarian has been an inspiration and model for our faculty and students.

In acknowledgment of your personal accomplishments and your support of many worthy causes, especially in health and education, Nazareth College of Rochester awards you the degree of Doctor of Laws, *honoris causa*.

ALMA MATER

Alma Mater, we salute thee,
Alma Mater, school we love,
Make us worthy of thy lofty standards
And thy noble teachings prove.

Chorus:

Cheer for Nazareth College of fame!
Chant her praises, great is her name!
Raise her colors, float them on high,
 while singing
Hail! to the College we love!

Alma Mater, home of wisdom,
Alma Mater, shrine of truth,
We will ever as thy sons and daughters
Bless the mother of our youth.

Chorus (repeat)

Words and music by Sister Kathleen Riley, S.S.J.
